New Home

We are slowly getting the new office organized and hope to have it up and running in the next few months. We are hoping to have regular office hours in the near future and to offer volunteer opportunities.

Volunteer Month

April is national volunteer month and we have been blessed with some great volunteers. We don't have a formal recognition program, but all of your efforts are most appreciated. These efforts help to make this organization viable and able to provide needed equipment to those living with ALS in our area and to support much needed research. We have been able to provide equipment at no cost to families for the past 30 plus years and with your help will continue this practice without financial means testing. So thank you for your time in helping out or holding fundraising events that have contributed to our success.

Bonspiel

Thanks to Grace VanPraet and members of the Stubborn Buffalo gang who organized a curling event at the Granite Club in

Chatham on February 10th, with just over \$3000 raised to date.

Caboto Charity Pasta

Big thanks to the guys at the Caboto club for choosing us as one of the 12 charities for 2024. Any time you attend (first Wednesday of the month) we share in the pasta proceeds. Bake sales and raffles held on the charity's particular night remains with the charity. Thanks to all who came out in December to support our night. The raffle and bake sale raised \$520. Our next night to 'host' is July 3rd from 4 – 7pm. All you can eat pasta, salad, bun & tea or coffee for \$15. Children under 5 eat free. Take out available. If you are able to contribute to our bake or raffle table it would be greatly appreciated.

Windsor Area Street Rods 50th Anniversary Car Show
